

STRIKING BAATIL

"In reality, We (Allah) strike baatil (falsehood) with the Haq. It then smashes out the brains of baatil. And, lo, it (baatil) suddenly disappears."

IMBECILITY & SENILITY OF THE CLOWN TRUMP

Commenting on the farcical 'ceasefire' in Palestine, the Clown Trump displaying gargantuan senility and mental imbecility, said:

"We're getting into phase two. Hamas is a very small part of the peace in the Middle East. If we have to, we'll take out Hamas very easily, and that'll be the end of Hamas. We would rather not. We have made a deal with them."

Whatever is the conception of 'phase 1 and phase 2' of the farcical 'ceasefire' is palpable bunkum which is conspicuously manifest to all unbiased people, both Muslims and Kuffaar. This fake 'ceasefire' never was a valid ceasefire from day one of its so-called promulgation. Muslims in Palestine have been brutally murdered and their homes demolished and devastated on a daily basis even from the very inception of this devil's fake 'ceasefire' conspired by the Clown and the Butcher. Hundreds have been killed and innumerable have been injured and scores have been abducted and relegated to detention for torture since the so-called 'ceasefire' came into existence a couple of weeks ago.

In fact, the Clown is a greater butcher. It is the Clown who has been orchestrating the genocide. The smaller butcher, Netanyahu is Trump's puppet and poodle, dancing to the tune of the American Clown.

The aforementioned comments of Trump, the Clown, conspicuously demonstrate his imbecility and senility. The miserable chap is well down into his grave which is awaiting him eagerly. His mental imbalance constrains him to blurt out bunkum and flapdoodle nonsense to confirm his dunderhead status.

In more than two years of relentless and brutal bombing and devastating the country, killing more than 150,000 people, mostly women and children, and injuring 200,000, Hamas still exists. After the millions of tons of bombs and the most horrible land devastation, Hamas has not been "taken out". The combined might of the armed forces and airforces of both the US and Israel have miserably failed to defeat Hamas.

What they have failed to achieve in the battlefield, they are achieving by hook and

crook, by talking with Hamas and by Hamas falling into the snare set up for it. What their bombs, tanks and guns have failed to achieve despite two years of brutal and relentless murder and genocide, they seek to achieve by talks via their puppet backyard states such as Qatar and Egypt. All of these puppet states are in collusion with Israel in the nefarious bid to eliminate Hamas. That is why the Qur'aan Majeed warns:

“Do not weaken your resolve (that is, do not become cowardly), and do not sue for peace. You will be victorious. Allah is with you. He will not let your efforts go to waste.” (Muhammad, Aayat 35)

After more than 20 years of brutality in Afghanistan, the Americans fled like dogs with tails between their legs, abandoning billions of dollars of military equipment which the Taliban captured as spoils of war. Now, a couple of years after the American defeat in Afghanistan the Clown is crying for the return of the military equipment, but the Taliban have resolutely refused.

The miserable Clown said: *“That will be the end of Hamas”*. The end of Hamas could not be attained after such merciless bombardment and land devastation which had the effect of 8 atomic bombs. Hamas will end only by the decree of Allah Azza Wa Jal. The greatest and most lamentable error of Hamas and of the Muslims in general is that despite the horrors of the calamities, they have still not understood the cause and the solution. They fail to understand that it is Allah Azza Wa Jal Who is allowing the evil Yahood and Nasaara to brutally punish the Palestinian Muslims for their treachery against Allah Ta'ala.

Muslims have become spiritually blind and intellectually dysfunctional, hence they fail to understand the calls, directives and messages of the Qur'aan and Sunnah. Calling Muslims unto Him, Allah Ta'ala says in His glorious Qur'aan:

“O People of Imaan! Do not take the Yahood and Nasaara as friends. They are mutual friends. Whoever from among you (Muslims) befriends them, verily he is of them. Verily Allah does not guide people who are zaalimeen (oppressors).”
(Al-Maaidah, Aayat 51)

“You will see those in whose hearts is a disease (of kufr and nifaaq) racing among them, saying: ‘We fear that some misfortune may befall us.’”
(Al-Maaidah, Aayat 52)

That is why they race to Qatar begging for peace with the Yahood and Nasaara.

“If Allah aids you, no one can then defeat you. And, if He abandons you, then who is there to help you besides Him. On Allah should the Mu'minoon have trust.” (Aal Imraan, Aayat 160)

“O People of Imaan! If you follow the kuffaar, they will turn you on your heels (to renege from Islam), then you will become the great losers. In fact (only) Allah is your Protector, and He is the best of helpers.” (Aal Imraan, 149, 150)
