THE DHABEL DARUL ULOOM'S SHAITAANI CENTENARY JALSAH PROGRAM

While the entire Ummah is ablaze and being decimated by the Yahood and Nasaara, while Muslims are being massacred daily in Palestine, while Muslims are dying of starvation in Palestine and whilst millions of Muslims are languishing in heart-rending conditions of misery, poverty, jahaalat and the like, the misguided, miserable molvis of the Dhabel Darul Uloom in India are trapped in a satanic frenzy in preparing a shaitaani, wasteful, haraam 100 year jalsah motivated by riya and takabbur.

Driven on by the nafs and ensnared by Iblees, the molvis of the Darul Uloom are blind and oblivious of the villainy they are organizing. Even in India, Muslims are becoming murtad; Muslims are suffering under the yoke of the Hindu cow and idol worshippers; millions are suffering from jahaalat and poverty, but these miserable misguided molvis have managed to some how, by hook or crook, rake up millions and millions of rupees for a shaitaani merrymaking jalsah. The salient effects of this shaitaani haraam jalsah will be to eat and to excrete. They should hang their heads in shame and disappear into oblivion.

They are guilty of *khiyaanat* for abusing the wealth of the nation on merrymaking functions of the stupid kind they are organizing. What has happened to the *Aql* of these molvis who are supposed to be guiding Muslims? Far from guiding Muslims to the Sunnah, they are leading the community to Jahannam with their *shaitaaniyat* and *nafsaaniyat*.

It is only **Riya** and **Takabbur** which are the motivating factors for this haraam centenary jalsah. These molvis have become so dumb, deaf and blind that they miserably fail to take lesson from the debacle of the centenary which Darul Uloom Deoband had organized. In the wake of Deoband's centenary haraam celebration, the Madrasah had gone to the dogs. It split, bust and from it emanated such evil stench which caused people to flee. Now the miserable molvis of Dhabel gripped in the tentacles of Iblees are replaying the destruction of Deoband. They too will meet a similar fate.

The Ummah is burning and suffering, but these molvis are indulging in merrymaking, eating and excreting, and in squandering the Amaanat of the people.

Dhabel, like Deoband have ceased to be bastions of Uloom and Taqwa. Now they are peddling shaitaaniyat and nafsaniyat in the guise of *Ilm*. These madaaris have become signs of Qiyaamah. *Ilm* is being imparted for worldly and nafsani motives. Regarding such corrupt motives and corrupt molvis, the Hadith states:

“Ilm will be taught for reasons other than the Deen.”

“The dunya will be pursued with the amal of the Akhirat.”

This is the fate of almost all institutions of the Deen. They have outlived their utility. The Janaazah of *Ilm* has departed from the Darul Ulooms. Now shaitaaniyat and nafsaniyat are being catered for in Deeni guise. We are in the age about which Rasulullah (Sallallahu alayhi wasallam) said:

“An age will dawn when....the worst of the people under the canopy of the sky will be the ulama. From them will emanate fitnah and the fitnah will rebound on them.”

The Darul Ulooms are producing such dajjaali molvis in abundance. In fact the Asaatizah too have become dajjaali. While all of this misery is sad and lamentable, it is not surprising because Rasulullah (Sallallahu alayhi wasallam) had predicted it. Qiyaamah cannot be too far from us. May Allah Ta'ala guide this miserable Ummah and have mercy on us all.
