

RESIGN FROM SAHUC

An Urgent Appeal to All Member Organisations

We, the concerned Muslims of South Africa, hereby call upon every member and constituent organisation of SAHUC to resign with immediate effect, or face the collective and punitive response of the Muslim community of South Africa. The honourable and responsible course of action is to resign before the upcoming SAHUC AGM on 28 September 2025.

SAHUC has no legal mandate to exist, as confirmed in writing by the Department of International Relations. Furthermore, the Saudi Embassy has formally confirmed that Nusuk Direct will be used for Hajj 2026. Alhamdulillah, with South Africa now integrated into the Nusuk Hajj Platform, there is no longer any justification for SAHUC's continued operations, nor for the misuse of Hujjaaj funds to sustain or defend its further existence.

We therefore demand that:

1. SAHUC be dissolved by 28TH September 2025.
2. All registered prospective Hujjaaj be refunded their deposits in full.
3. The High Court appoint a liquidator/curator to safeguard SAHUC's assets.

Failure to resign will leave us with no choice but to cite and hold accountable any member organisation that continues its affiliation with SAHUC. Should it become necessary, the 26 affiliated organisations will also be held jointly and severally responsible for the consequences of SAHUC's refusal to comply with the above.

The time has come to protect the interests of the Hujjaaj and to bring this chapter to a close — with justice, accountability, and dignity.
