All the ulama of all groups were asked regarding the food served in mina and arafah and they all said that they were given assurance by sahuc that all the chickens and meats are locally sourced
As well as at the sahuc road show sahuc reassured all hujjaj regarding the issue

14:47

➡ Forwarded

However imported meats from Ukraine and Brazil were served to South African hujjaj without any supervision of sahuc

SAHUC Hajj

31 May · 🌐

...

The SAHUC delegation met with AbulJadaya catering company tonight to finalize preparations for Hajj 1446AH/2025. Alhamdulillah, everything is in order and we have confirmed that the meat is locally supplied and not from abroad the Kingdom. Attached is also the menu that has been agreed between SAHUC and the travel operators.

as salaam mu alikum, is qualiko chicken halal?

firstly i want to thank on this extremelly helpfull site

i am studying for a degree in kiev which is a city in the ukraine, can you please tell me if this chicken that comes from a company called QUALIKO is halal, as there is a certificate on the website and on the package there are countless halal stamps, please can you help me?

this is the website <http://www.qualiko.ua>

Answer

In the Name of Allah, the Most Gracious, the Most Merciful.

As-salāmu ‘alaykum wa-rahmatullāhi wa-barakātuh.

The website in reference has a video which shows how the chickens are cut.

We observed in the video that the chickens are cut using machines. This slaughtering method is incompatible with Sharī‘ah.^[1]

We have contacted the company and have not yet received a response. Accordingly, we would advise that you refrain from eating Qualiko chicken.

And Allah Ta’āla Knows Best

Mu’ādh Chatī

Mufti Ebrahim Desai.

Production Capacity:

Qualiko's Vinnytsia Poultry Farm has two production lines and can slaughter 27,000 chickens per hour. [🔗](#)

Equipment:

The complex uses state-of-the-art equipment from leading manufacturers like Stork and Meyn, Marel, CFS, and Poss. [🔗](#)

Vertical Integration:

Qualiko is a vertically integrated company, meaning it controls the entire production process from farm to sale, allowing for quality control and consistent standards. [🔗](#)

Certifications:

The company holds certifications like BRC Global Standard for Food Safety and EU Export Approval Number, ensuring quality and safety. [🔗](#)

Automated Slaughter:

While Qualiko claims to follow Halal practices, some concerns exist about the use of automated slaughter methods and whether they fully comply with Halal standards. [🔗](#)

Halal Concerns:

Some Islamic scholars question the halal status of chicken slaughtered by machine, as it may not be possible to ensure the proper pronunciation of "Bismillah" (in the name of God) for each bird. [🔗](#)

Seara Foods Ltda. is a Brazilian food processing company. It specializes in the development and distribution of meat products. The company was founded on November 18, 1956, in the town of [Seara, Santa Catarina](#), Brazil.
