AFGHANISTAN TENT PROJECT FOR MORE THAN HALF MILLION MUSLIMS EXPELLED BY IRAN

In just 16 days, Iran has expelled more than half million Afghani Muslims. They are currently languishing in the open, exposed to the extremely harsh weather conditions and totally deprived of the basic amenities of life.

The immediate need is for tents. The cost of a tent is approximately \$90 (approximately R1700). Ten thousand such tents are the immediate need.

A further 1000 bigger tents are needed to be for the purposes of Maktabas, Musjids and schools. The cost of the bigger tent is \$150 (approximately R2,700). Pictures of the tents are attached.

The total cost of this Tent Project is R20 million. Zakaat may also be contributed for this Project. It is hoped that the Muslim community will contribute generously for this urgent and extremely worthy and needy Project. Picture the stranded families in the open suffering the harsh weather conditions. Rasulullah (Sallallahu alayhi wasallam) said:

“The Muslimoon (Ummah) is like one man. If the eye pains, the whole body is affected. If the head pains, the whole body is affected.”
