The Majlis

16 Sha'baan 1447 – 5 February 2026

THE SHENANIGANS OF MOLVI FAZLUR RAHMAN (MOLVI DIESEL) OF PAKISTAN

The following is a verbatim reproduction of the comments of Maulana Abdul Qadir Eesa of Durban:

ASSALAAMU ALAIKUM WA RAHMATULLAHI WA
BARAKAATUH

We had forwarded a few voice notes and emails to The Majlis ul Ulama of South Africa, regarding the abovementioned 'Moulana'.

The most important reason and necessity being that we felt it extremely important to bring this so-called Molvi Diesel's Shaytaaniyat and Dajjaaliyat to the notice of The Majlis ul Ulama of South Africa, the ONLY Ulama of Haqq in the country and perhaps the world at large.

In the year 1980, Hadhrat Mufti Mahmood Sahib (rahmatullahi alayh) was hospitalised in Karachi, for medical attention due to Hadhrat Mufti Sahib's ill health, being diabetes. Our Muhtamim, Hadhrat Mufti Ahmad ur Rahman Sahib (rahmatullahi alayh) had instructed the students to be at Hadhrat Mufti Mahmood Sahib's Khidmat, on a daily or nightly basis.

During one Khidmat session, we were listening to Hadhrat Mufti Mahmood Sahib's Naseehat, when Hadhrat mentioned, in no uncertain terms, that

Molvi Diesel, being the son of Hadhrat Mufti Mahmood Sahib, was a CON-ARTIST. Hadhrat Mufti Mahmood Sahib's words were, and we quote: YEH (Molvi Diesel), MERI BAATON KOO SUN KAR MERE MUKHAALIFEEN KOO JAA KAR SUNAATA HEH'!

Mukhaalifeen meant the RAW agents of India, AUR YEH UNSE PAISA WASOOL KARTAA HEH!

Once, Molvi Diesel asked Hadhrat Mufti Mahmood Sahib to speak to Zulfiqar Ali Bhutto for Molvi Diesel's marriage to Benazir Bhutto, Zulfiqar Ali Bhutto's daughter, but Hadhrat Mufti Mahmood Sahib flatly refused. When Benazir Bhutto became the first woman Prime Minister of Pakistan, Molvi Diesel was screaming out in public discourses, saying that a woman's leadership is totally HARAAM! And yes, it is Haraam! However, the very same Molvi Diesel, whose stomach is literally IMPOSSIBLE to fill, sat with Benazir Bhutto, begging for a seat in parliament! She took pity on him and appointed him as minister of foreign affairs, which was very short-lived, Alhamdu Lillah. Molvi Diesel then went to the Haraam Khor Establishment of Pakistan, the military. He secured a very comfortable place in the Haraam pockets of the Haraam Khor Establishment, and became its PUPPET!

As recently as 2018, when Imran Khan legally became the Prime Minister of Pakistan, Molvi Diesel established another Shaytaani movement, named PDM (Pakistan Democratic Movement) with all the other Haraam Khors who had, and still do, LOOT trillions of Rupees, dollars, properties, developed and undeveloped, stealing timber from the forests of Pakistan, awarding multi-national contracts to international companies, and the list is ENDLESS! They are starving the Hard-Working Farmers in Pakistan, ripping them off their crops of rice, sugar-cane, wheat, cotton, and a whole host of other natural resources, stifling the local markets, spiralling the prices of fuel, household essentials, fruit, vegetables, and here too, the list is absolutely endless!

Maryam Nawaz Sharif, a woman, albeit a LOOSE woman, hugs Molvi Diesel from behind and rests her ROTTEN face on Molvi Diesel's ROTTEN shoulders. She walks up to Molvi Diesel, lowers her La'nati head, whilst Molvi Diesel places his right hand over her head, thereby blessing her!!! Is this not open ZINAA, in full view of all and sundry???

The above are just a few acts of this Iblees Molvi Diesel!

Our question: Despite all of this, Molvi Shabeer Saloojee found it necessary to invite, host, and take Molvi Diesel on a tour of South Africa??? We are certain that Molvi Diesel, if he is still in our country, has solicited millions of rands with the same old story, pleading that he (Molvi Diesel) has over 300,000 Talabaa in his Madaaris across Pakistan!!! Molvi Diesel has a PhD in Speaking Rotten, Stinking Lies. He has mastered the art of public oration; he knows exactly which card to play, when to play it, and how to play it!!! The LAQAB, diesel, although bestowed upon him by another Haraam Khor CHOR politician, fits him perfectly well, since he insisted on being in charge of supplying diesel to the Mujaahideen of Afghanistan when the Kuffaar Americans and their allies began bombing Afghanistan. The Mujaahideen were not given any permits for diesel; the Mujaahideen had to pay Molvi Diesel an astronomical amount to obtain permits for diesel/fuel supplies that were transported into Afghanistan through Pakistan, whilst the ZAALIM Pervez Musharraf also collected colossal amounts of money during that period!!! Question 2: What Deeni benefits, if any, can the Ulamaa, Talabaa, and the Ummah achieve from such DAJJAALS and FIRAUNS?

WASSALAAM

A.Q. Essa.

(End of Maulana Eesa's comments)

The Molvi from Pakistan is among the worst kinds of *mudhilleen* which pillage and plunder the Deen and the Ummah with villainy presented in the form of the 'deen'. It is not permissible to honour such a deviate nor should Muslims listen to his talks.

His fisq and fujoor are glaringly conspicuous and well-known in Pakistan where he was awarded the title of **Molvi Diesel** for his diesel shenanigans. May Allah Ta'ala save Muslims from being enmeshed in the tentacles of these agents of Iblees who masquerade as 'ulama'.

The best sign for recognizing an evil molvi is the display of his snout on social media platforms – the media of fisq, fujoor and kufr.
