Compiler's Preface

All praise is for Allāh ﷻ. May His choicest salutations be upon our noble leader and master, Sayyidunā Muḥammad ﷺ, his family and his companions.

This is a compilation of the names of a hundred select Ṣaḥābiyyāt ﷺ. This intention behind this brief work is to build awareness of the Ṣaḥābiyyāt ﷺ by acquainting ourselves first of their names. Second, to serve as a brief dictionary that can be used to name a girl when born into a Muslim home. Each name has a great history and legacy to be honoured and revered.

The names of these great personalities will have a luminous effect upon the child and he will grow up in the footsteps of the magnificent Ṣaḥābiyyāh ﷺ that she was named after. Parents can select from these names, and this will build interest and enthusiasm in the hearts and minds of the child and the family to learn about the history and virtue of the great Ṣaḥābiyyāh ﷺ.

As one reads through the list of these great luminaries, one is simply awestruck by the great virtues they have and the immense work that they did to convey the beautiful religion of

Islām to the world in pristine form, as they learnt it from Rasūlullāh ﷺ. They were at the side of the Messenger of Allāh ﷺ day and night, helping him and looking after his home and children. Rasūlullāh ﷺ declared his happiness with them on many occasions. In the Noble Qur’ān, Allāh ﷻ declares His eternal pleasure for the entire galaxy of the Ṣaḥābah ﷺ.

Please take care to study these names, read them, build love for them in the heart and pass this work on to all friends and family.

May Allāh ﷻ bless us all with firm faith in the Ṣaḥābah ﷺ, accept this effort and place it in our scale of good deeds on the Day of *Qiyāmah*. O Allāh, we love all the Ṣaḥābah ﷺ, all the family of Rasūlullāh ﷺ and all the great women of Islām who have served the cause of the *Ahl-us-Sunnah wal-Jamā’ah*. Āmīn
